

The Company / THUNAR CIRCUS 圓劇團

圓劇團 Thunar Circus as a collective of International Contemporary Circus creators based in Taiwan focus on Art and poetry.

Its action is to connect with the culture in which its meshes, the world tilted, in a mirror of identities, by a imaginary dimensions. THUNAR crew has humanist skills and rather unusual specialists, independent points of view, its functioning outboard of sad camouflage of killing, we must avoid falling prey of extinction ... as far from wanting to fire using mortars FXZZ-164 on civilians' brain because it is almost floating
